How to calculate your stimulus payment:

1. Start by determining your max credit
  - A. \$1,200 for each taxpayer (joint) = \$2,400
  - B. Add \$500 for each qualifying child
2. Determine if the credit will be phased out
  1. Single- Phase out starts at \$75,000
  2. Joint- Phase out starts at \$150,000
  3. HOH- Phase out starts at \$112,500
3. Subtract the amount in step 2 from your AGI.
